

FIFTY-EIGHT WILL RECEIVE DIPLOMAS

Class Roll of 1925 Rushville High School Seniors Announced as Commencement Weeks Opens

BACCALAUREATE ON SUNDAY

Festivities Open with Class Day This Afternoon and Junior-Senior Reception Tonight

Fifty-eight Rushville high school seniors will receive diplomas at the annual commencement exercises at the Main Street Christian church Friday evening, May 29, it became known today when the class roll was announced.

The class address will be delivered by the Rev. B. J. Bush, pastor of the First Presbyterian church of Lexington, Ky., who was recommended to school authorities as a public speaker of marked ability.

Music at the commencement will be provided by the high school orchestra under the direction of David S. McIntosh. The invocation will be delivered by the Rev. E. G. McKibben, pastor of the First United Presbyterian church, and the benediction by the Rev. B. F. Cato, pastor of the Main Street Christian church. Special musical numbers will be provided by the high school. The class will be presented by E. B. Butler, principal of the high school, and diplomas will be presented by H. B. Allman, superintendent of schools.

The Rev. Gibson Wilson, pastor of the First Presbyterian church, will deliver the baccalaureate sermon at the Main Street Christian church Sunday evening at 7:30 o'clock. His theme will be "The Master of Dreams."

Instrumental selections will be played by Cole's orchestra and there will be a vocal duet by Mr. and Mrs. D. S. McIntosh and a solo by Miss Helen Jaehne. The invocation will be delivered by the Rev. H. W. Hargrett, pastor of St. Paul's Methodist Episcopal church, and the scripture reading will be given by the Rev. R. W. Sage, pastor of the First Baptist church. The benediction will be pronounced by the Rev. Mr. Wilson.

The class roll was announced as follows:

TRACTION STATION AT ARLINGTON IS DAMAGED

About One Half of the Roof Burned Off This Afternoon When Sparks Start the Blaze

VOLUNTEERS DO GOOD WORK

Arlington had a fire scare this afternoon shortly before two o'clock when the roof of the Indianapolis and Cincinnati traction station caught fire, and only by heroic efforts was the building saved.

A switching train on the C. I. & W. railroad is believed to have sent a spark over to the roof. Several garden hose lines in the neighborhood were used, and buckets of water, and it so happened that an I. & C. work train was there, and the men aided. They used chemical tanks from the work train, and fought the flames until they were extinguished.

It was estimated that about one-half of the roof was burned away, and it is regarded as fortunate that the building was saved. A strong wind fanned the flames, and if it had not been noticed when it was just getting started, several nearby houses would have been in danger from flying sparks and shingles. The loss will probably be protected with insurance.

TO INSTALL ORANGE CHAPTER

New Lodge Will Get Charter at Orange Saturday Night

Mahoning Council 36, Degree of Pochontas, of this city, have been invited to take part in the installation of a new chapter of the order at Orange Saturday night, and many from here will attend. All those going from here are urged to be at the Red Men hall promptly at 6:15 tomorrow night. The new chapter at Orange will be officially installed by the Great Pochontas, Olie Patton of Anderson, with the Rushville order assisting in the ceremonies, and for that reason it is urged that as many members as possible attend from the local lodge.

AFTERNOON STORM DOES BIG DAMAGE

Sweeps Southern Illinois and Passes Into Indiana, Playing Havoc in Montgomery County

WIND, RAIN AND HAIL REPORT

Near Crawfordsville Cyclonic Proportions Reached in Several Dips That Are Made

Mt. Carmel, Ill. May 22—A high wind, which at times reached cyclonic velocity, struck the vicinity of Harrisburg and Marion over night doing considerable damage.

No loss of life was reported.

First information here was that several houses had been destroyed, trees uprooted and telegraph and telephone wires torn down. There was also an electric storm, which preceded the wind.

No estimate of the amount of damage from the storm could be obtained here today.

Visits Southern Illinois

St. Louis, Mo., May 22—Southern Illinois was visited by another wind storm over night, according to meagre reports reaching here today.

All telephone communications in the district are paralyzed and only meagre telegraphic service can be obtained.

The center of the storm, according to first reports was in the vicinity of Marion, Harrisburg and McLeansboro.

At Harrisburg, the reports say, several houses were destroyed.

The wind storm was accompanied by a terrific electric storm and one man was reported killed at McLeansboro.

Hits Near Crawfordsville

Crawfordsville, Ind., May 22—Montgomery county today took count of the damage from the tornado which swept the western section of the county Thursday afternoon.

No lives were lost and no one was injured by the storm but the property loss will total thousands of dollars.

Sweeping through a section of the county that is not densely populated, the tornado levelled barns and farm buildings and snapped off trees and telephone poles.

The area covered by the storm was more than three miles long. The storm lifted on the outskirts of Crawfordsville and did little damage in the city.

A heavy rain and hail storm accompanied the tornado, breaking hundreds of window panes in the city. In the country the hail beat down early crops.

Most of the farm houses in the path of the tornado were undamaged although barns and other outbuildings in some cases only a few yards from the houses were partially wrecked.

Poultry and hogs on the farm off A. B. Simms were lifted up by the tornado and carried away. Simms is still hunting for them.

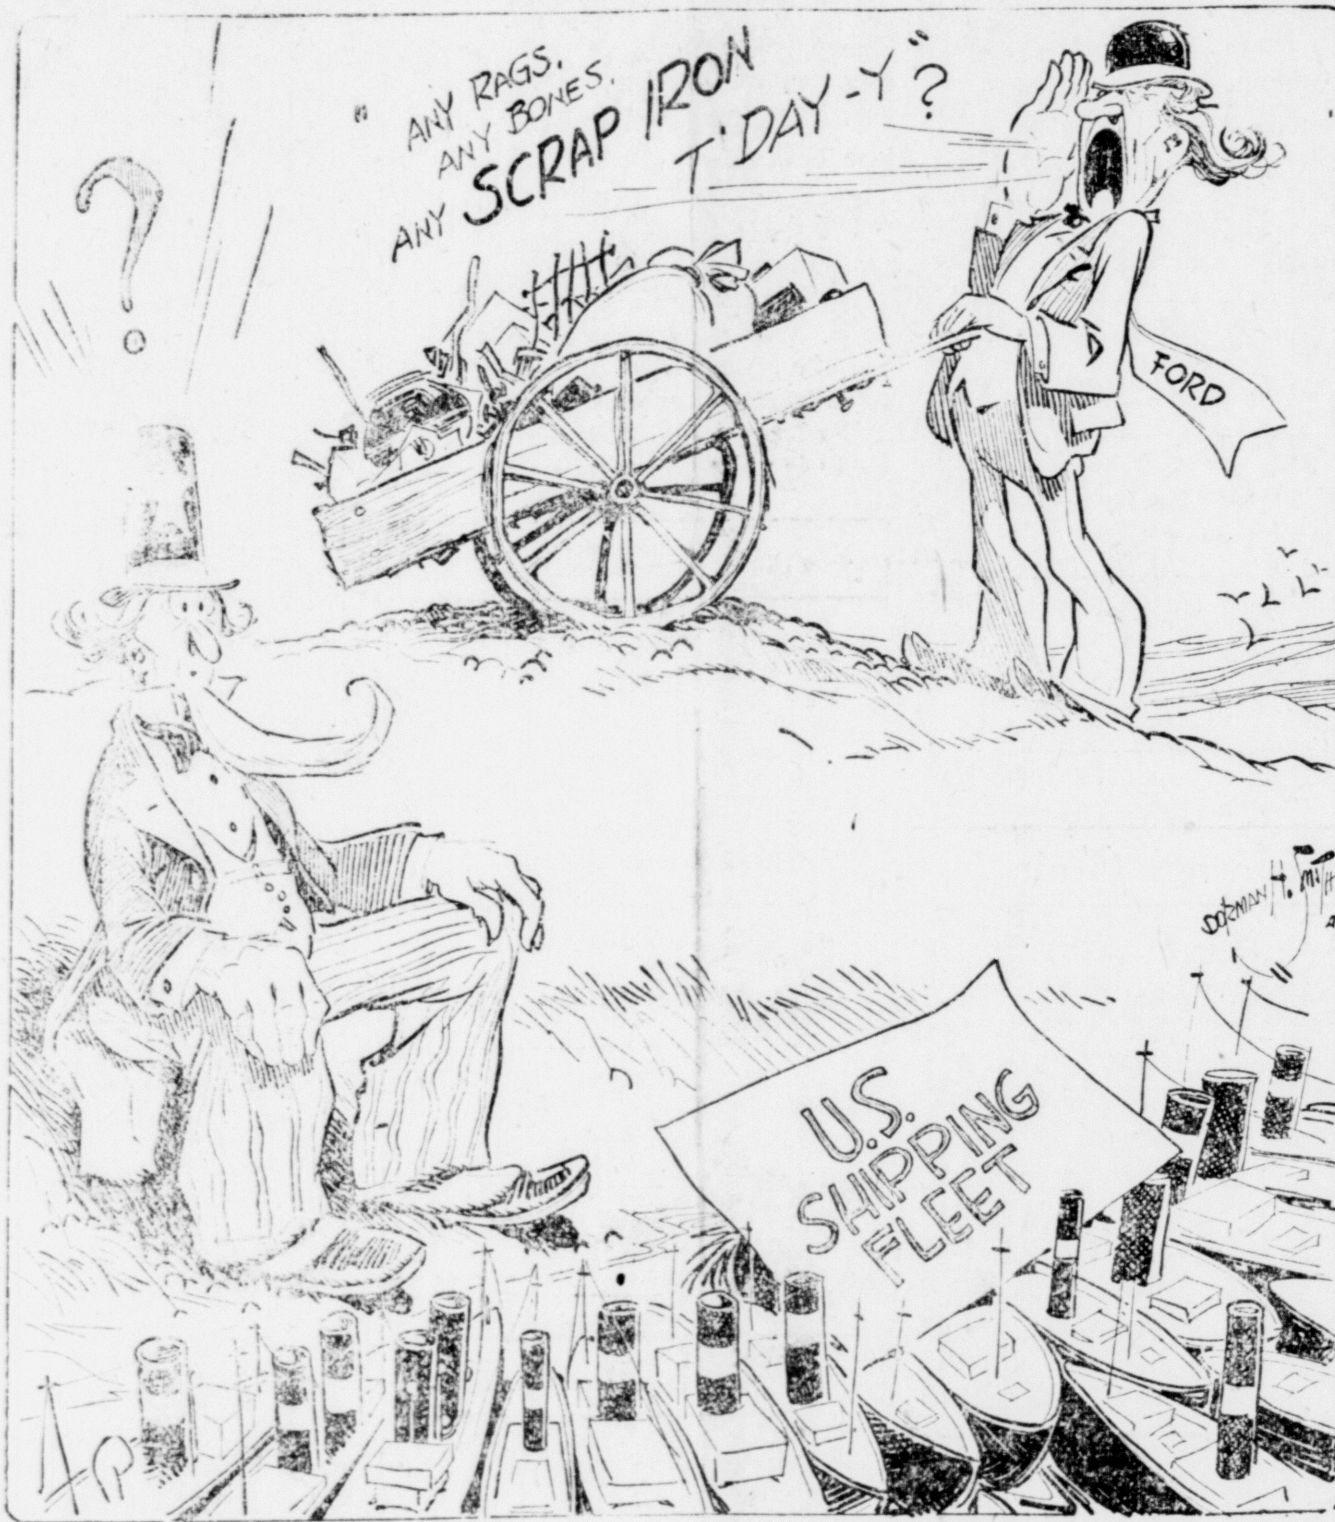

The home of Frank Myers showed no signs of the destruction, but every other building on the farm was practically demolished.

Telephone communication was disrupted and linemen worked throughout the night to repair the breaks.

It was regarded as almost miraculous that no one was killed by the storm, the worst that has visited

HENRY WILL TRY ANYTHING ONCE

SIX COMMANDERIES WILL BE REPRESENTED

Three Others Which Have Been Invited May Participate in Ascension Day Ceremonies

ORPHANS HOME BAND TO PLAY

At least two Knights Templar commanderies in addition to the four that celebrate Ascension Day together, will be represented at the annual ceremony to be held in Rushville Sunday.

Richmond and Greensburg, two of the five invited to participate, in the observance with the Knightstown, Newcastle, Greenfield and Rushville commanderies, have sent word that they will be here with a good sized representation of members.

The Knights, all in full uniform, will form for a parade at Perkins and Third streets and will move south in Perkins to Second, west to Main, north to Fifth, west to Morgan, north to Seventh, east to Main and down to the Main Street Christian church, where the services will take place at 2:45 o'clock. The address will be delivered by the Rev. J. J. Rea, pastor of the Richmond Presbyterian church.

The parade will be led by the Knightstown Soldiers' and Sailors' Orphans' Home band. Albert P. Wagoner, formerly of this city, is the director. Following the exercises, the band will give a concert on the streets. If the weather interferes the management of the Princess theatre will permit its use for the concert.

Members of Rushville commandery are preparing to serve 500 persons with light refreshments at the Masonic Temple following the church services. Returning from the church, the Knights will use the mass formation in coming down the Main street hill.

REACH NORTH POLE BY PLANE

Dispatch From Norway May Be Confirmed Shortly

London, May 22—The Central News carried a dispatch from Oslo, Norway, this afternoon stating that an unconfirmed report from King's Bay said Captain Rayold Munsen has reached the north pole and is now enroute back to his starting place. The dispatch added that the King's Bay correspondent of the Central News has not been able to confirm the report.

WINS MEDAL AT PURDUE

William Blackledge Rushville high school graduate and son of Mrs. Lenora Blackledge of West Lafayette, Ind., formerly of this city, was one of five freshmen in Purdue to receive a medal as a pistol expert. He is a member of the freshman varsity pistol team, which was selected from a group of 190 because of expert marksmanship. The presentation took place the last corps day of the year Tuesday.

JURY HEARS CASE IN COURT TODAY

Action of Bertram Wilson Against Elmer Addison and Elmer Holloway Involves Stake of \$350

FOR REPAIR OF PIANOS

Two New Complaints Also Filed, One Being For Judgment on Account and Other on a Note

A jury was sitting in the circuit court today, the first one in several weeks, in which the case of Bertram Wilson against Elmer Addison and Elmer Holloway was being heard, and which was expected to be concluded by late today.

The action is on an account in which \$350 judgment is at stake. The deal involves the repair of several player pianos, which were repaired to be operated electrically. The plaintiff resides in Peru, and the defendants now live in Arlington, but the action involves pianos repaired for them when they lived in Greensburg.

The jury that was hearing the case consisted of Arthur J. Trowbridge, Albert Canady, Don Brooks, William B. Kirkpatrick, Theodore Abercrombie, Charles Hugo, Jess Retherford, Liford Stiers, C. W. Myers, John Wright, B. F. Reeve and Fred Brown.

Among the new cases filed in court, is a complaint in two paragraphs brought by the Lee B. Mull and Company against the Rush county Mills, the action being to collect damages on a contract for a total of \$375.

The action in the first paragraph alleges that the defendants ordered a car load of goods from them, and before it was shipped, asked that it be delayed until a certain date. The car was shipped on the date specified, according to the complaint, and was refused when it arrived here.

The complaint in the first paragraph asks \$225 judgment and in the second paragraph, seeks to collect. Continued on Page Three

BODIES OF THREE BOYS FOUND MANGLED TODAY

Youths of Dugger, Ind., Killed by Train, May Have Been Asleep on the Tracks

ALL BODIES ARE IDENTIFIED

Sullivan, Ind., May 22—The mangled remains of three boys all residents of Dugger, Indiana, were found strewn for five hundred feet along the Illinois Central railroad tracks three miles east of here today.

The bodies were identified as those of Donald Boyles, 15, Glen Boyles 13, and Sheridan Butler 12.

Evidence today indicated that they had been killed by a north bound freight Thursday night. The boys left home at four p. m. Thursday. When they failed to return at nightfall their parents notified Sheriff Newman Guy of Sullivan county and a search was started that ended with the finding of the bodies this morning by Elsa Shanks.

The railroad runs through a deep and narrow cut at the point where the tragedy occurred and it is believed that the boys were either trapped by the on coming train or were asleep on the track.

All three of the lads were under suspended sentences in the Sullivan court for breaking into Dugger Homes and various other minor depredations.

WALKER TOWNSHIP MAN EXPIRES AT AGE OF 80

Jacob Wissing, Well Known Farmer, Was Born in Germany and Came Here When 12 Years of Age

FIVE SONS ARE SURVIVORS

Jacob Wissing, well known farmer of Walker township, died Thursday night at ten o'clock at his home north of Manilla, death resulting from complications arising with advanced age. He was in his 81st year.

Mr. Wissing was born in Germany, and came to this country when he was 12 years of age, and settled in this county, where he had spent his life, excepting intervals spent in Shelby county. He was born November 18, 1844. He had been ill for some time, but was not regarded as dangerously ill until last Saturday.

He was married November 18, (Continued on Page Three)

JOINT MONTHLY MEETING HELD

Richland Township Organizations Hear Talk and Orchestra Concert

The joint meeting of the Richland Township Farm Bureau and Parent-Teachers' association of the township was treated to a concert by the New Salem high school orchestra Thursday evening and a short talk was given by Roy E. Harrold of this city on "Co-operation."

Three entries for a township pig club were obtained during a short business session of the farm bureau and it was decided to hold the annual picnic at an amusement park near Greensburg June 10. The Anderson Township Farm Bureau will be invited to join in the picnic.

The New Salem orchestra, which is directed by Albert Jinks, was very popular with the crowd. In addition to the orchestra numbers, there was a trombone solo by Howard Keisling, a vocal solo with orchestra accompaniment by Miss Evelyn Cook and a violin solo by Miss Marianne Holman, with piano accompaniment by her sister.

HEAT WAVE MAY BRING SHOWERS

Weather Prediction for This Vicinity Promises Relief After Thunderstorms Tonight

MERCURY NEARLY TO 90

Heat Prostrations Reported From Several Points in Midwest, Suffering in Heat Wave

The heat-wave which sent the mercury today up to near the 90 mark, was expected to be broken by Saturday, according to the weather report, which today predicted increasing cloudiness tonight, followed by thunderstorms in this area. Cooler weather is predicted for Saturday.

Two Die in St. Louis

St. Louis, Mo., May 22—The elements have taken two lives, sent a third man to the hospital suffering from heat prostration, and caused a property damage of between \$50,000 and \$100,000 in this district.

The two persons killed were Mr. and Mrs. M. D. Kesterson. Their home at Centralia, Ill., was struck by lightning late Thursday. Their two children were badly burned.

Wave Grips Midwest

Chicago, May 22—A heat wave of unusual intensity for this season of the year, grips the midwest and the entire south, Prof. Henry Cox, chief of the weather bureau here reported today.

Heat prostrations were reported from several points, Kansas City being the first hit. The temperature there reached 90 degrees.

At Dodge City, Kans., citizens sweltered in 100 degrees of heat. At Omaha Neb., and Oklahoma City, Okla., and Wichita, Kans., the temperature was 98. Chicago's temperature was 84, just two degrees below the hottest May 22 in the weather bureau's records. At Haron, S. D., it reached 94 degrees and at Grand Haven, Kans., it was 96.

Thunderstorms may be given momentary relief from the heat, Prof. Cox said.

JAILED FOR INTOXICATION

Greeley Perkins, formerly of this city, who is making his home at a Soldiers home, was arrested late Thursday by Patrolman Smith on a charge of intoxication, and placed in jail, pending his trial, which was expected to be held this afternoon or tonight. Perkins has been here spending a vacation from the government home. His arrest is the second one to be made under the prohibition law which carries a minimum fine and costs of \$40.

AT BATESVILLE TODAY

Between 18 and 20 Pythian Sisters of Rushville left this morning in a special chartered bus for Batesville, where they attended the annual district convention of the order.

VICTORY FOR YOUNG FUNDAMENTALISTS

So Regarded by William Jennings Bryan, Who Comments on Election of Dr. C. R. Erdman

PRESBYTERIAN MODERATOR

Commoner Turns Attention to Test to Evolution Law to Take Place at Dayton, Tenn

By EARL J. JOHNSON
(U. P. Staff Correspondent)

Columbus, O., May 22—Pushed into the background of Presbyterian assembly affairs by a complete victory of younger men, William Jennings Bryan, 65 and lacking somewhat in the physical vigor of former years turned his attention today of the impending test case of evolution in a squire's court at Dayton, Tenn.

Bryan said he had just received a letter from the law firm of Hicks accepting his services as associate counsel in the prosecution of John T. Scopes, accused of violating the new Tennessee law against teaching the theory of evolution.

"I will go to Dayton as soon as the case is called for trial," the Commoner said. "It is by no means a comedy skit. Christian people everywhere know that this trial is going to answer the most important question before the American people; who is going to control our schools system—a minority of pseudo-scientists, or a great Christian majority."

The "new" Bryan was speaking, the Bryan who has laid down the standards of political battle and taken up their place and with even more determination of spirit, the cross of his religious faith.

Bryan declared that although the election of Dr. Charles R. Erdman of Princeton University as moderator of the Presbyterian assembly was a personal defeat for him, it was nevertheless a great victory for the younger fundamentalists. Bryan was expected to nominate Dr. W. O. Thompson, president of Ohio State University but lost out when Thompson asked that his name be withdrawn and voted for Dr. Lapsley McAfee of Berkeley Calif.

Bryan came from afar to engage in a great church battle but when the first skirmish came he didn't even take off his coat.

The Commoner said he was "not the least bit interested" in the charge of Clarence Darrow, famous criminal lawyer planning to aid the defense in the Scopes trial, that he is a "witch burner."

"I know Darrow very well," Bryan said, "but I don't care to deal in personalities."

"The fact is that merits of evolution."

INTOXICATION CASE VENUED TO WALDRON

James Clegg, Carthage Citizen, Arrested at Shelbyville, Takes Appeal on One Charge

SECOND CHARGE IS SERIOUS

A change of venue has been taken in the case of James Clegg of Carthage, charged at Shelbyville in two complaints following his arrest last Sunday when the machine which he was driving, ran into another car, and he was held for liquor law violations.

In the case charging him with being intoxicated filed before Squire Harry Ray, he asked for a change of venue, and the action was taken to the justice of the peace at Waldron, who will hear his case, and where a jury will be asked to determine the evidence. The outcome of this case will determine the disposition of the ther case.

An affidavit charging Clegg with driving an automobile while intoxicated is now pending in the Shelby circuit court. Clegg was arrested last Sunday after an automobile which he was driving collided with an automobile driven by Alonzo Rhodes, of Marion township. The accident occurred near the Walkerville school house, on the Knightstown road.

Boils!

Ouch!

S. S. S. will rid you of boils, pimples, blackheads and skin eruptions!

DON'T CLOSE your eyes to the warning which Nature gives when angry, painful boils appear on your neck, face or other parts of your body. Boils, pimples and so-called skin disorders are the result of an impoverished condition of the blood and are not to be trifled with.

It is nothing more than folly to expect to get absolute relief from the use of local treatments, such as ointments, salves, etc. Such remedies may afford temporary relief but you want more than relief; you want a remedy which will rid you forever of the torturing disorder. And the one remedy which has no equal is S.S.S.

S.S.S. stops boils and keeps them from coming. S.S.S. builds blood power! That is what makes fighting blood. Fighting blood destroys impurities. It fights boils! It fights skin eruptions—pimples, blackheads, eczema! It always wins! S.S.S. has been known since 1826 as one of the greatest blood builders, blood cleansers and system strengtheners ever produced. There are no unproven theories about S.S.S., the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities. Begin taking S.S.S. today and clear your skin of those blood disorders!

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

CHARGES MAY BE PREFERRED

Former Attendant at Eastern Indiana Hospital Accused

Richmond, Ind., May 22—Charges of involuntary manslaughter probably will be placed against Claude Williams, former attendant at the Eastern Indiana Hospital for the Insane, it was indicated today.

Williams is charged with being responsible for the death of Landy Jackson, of Decatur, an inmate, who died Monday after being placed in a bath of scalding hot water.

Coroner Bond and Prosecutor Stanley are making a thorough investigation of the case.

Williams was discharged by Dr. L. M. Ross, superintendent of the institution, when Jackson was found to be in a serious condition as a result of the bath. Williams' whereabouts is unknown.

LATEST "CLEW" IS EXPLODED

Two Men Suspected of Being "Bicycle Bandit" Are Released

Indianapolis, Ind., May 22—The latest "clue" in the investigation of the double murder of Miss Katherine Herbers and Howard Fisher at Fort Wayne, was exploded today.

Police received word from Fort Wayne authorities that two men held on a vagrancy charge here did not resemble the description of the "bicycle bandit" believed by Fort Wayne detectives to be the murderer.

The two men were released immediately. They had been slated on the vagrancy charge as Theodore Penn of Cincinnati and William Smith of Louisville.

Bloomington—Carl Stevens and Robert Duncan were injured when the machine Stevens was driving sideswiped a locomotive here. According to bystanders Stevens was not looking where he was going and ran into the moving engine.

Peru—James Mills, 18, of Pymor, strapping and handsome, started out to see the world. He woke up in a Peru hospital with both legs off at the hips. He fell beneath the wheels of a freight train he was riding.

Lyford—John Stutler of Lyford may not dim his lights for a while. He turned off his bright lights of his Ford while passing another car and the switch stuck. In the darkness he crashed on into another. No one was hurt but the cars were both wrecked.

this section of the state in many years.

Anderson, Ind., May 22—Heavy property damage was reported today in Madison county following a violent wind and hail storm late yesterday. Many farmers reported barns and houses unroofed by the wind and roads were washed out by the rain. Fire started by lightning destroyed a barn on the farm of John Givvons near Lapel.

Old Resident Given Up By Physicians

"Given up by five doctors, my only hope an operation. I rebelled on cutting me open, as I am 75 years old. A neighbor advised trying May's Wonderful Remedy for stomach trouble. I got relief right away. I had not eaten for 10 days and was as yellow as a gold piece. I could have lived only a few days but for this medicine." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by druggists everywhere. —Advertisement

Betsy Ross and Potato Bread Prove It!

IF YOU have never realized that there is a very real difference in bread, you will become aware of this fact when you try Betsy Ross and Potato Bread. There is as much difference between this and ordinary bread as between sirloin and flank steak. The superiority of Betsy Ross and Potato Bread will become increasingly apparent with its continued use.

Every ingredient used in Betsy Ross Bread is the finest that can be obtained. They are selected with great care, for each must contribute its share to the goodness of the finished loaf. Every material is tested in the laboratory to insure its purity and wholesomeness. Everyone is healthful and nourishing. When combined, in the proper proportions, these ingredients make Betsy Ross and Potato Bread the tastiest loaf you can buy anywhere.

To be sure of getting no other than this super loaf, always ask for Betsy Ross or Potato by name. Betsy Ross and Potato Bread is baked in Connersville and is as fine a loaf as can be baked. Your grocer can supply you. Insist upon having it.

Self Denial:—Whosoever will come after me, let him deny himself, and take up his cross, and follow me. For whosoever will save his life shall lose it; but whosoever shall lose his life for my sake and the gospel's, the same shall save it. Mark 8: 34, 35.

Prayer:—We thank Thee, O Lord, for the lesson so marvelously illustrated in Thy life; except a corn of wheat fall into the ground and die, it abideth alone, but if it die it bringeth forth much fruit.

Costly Carelessness

Carelessness is costly, particularly where fire is concerned. The state fire marshal department has the figures to prove this assertion. The careless and the negligent persons are the greatest obstacles to fire prevention, observes Newman T. Miller, the state fire marshal, and a great part of the responsibility for the annual fire losses must be borne by them, he believes.

Some of the most dangerous offenders are those guilty of minor faults, such as putting coins in fuses, leaving the curling iron and the electric iron without turning off the current, tossing matches and burning cigarettes and cigars where they may start fires, and tampering with gas and electric light fixtures. They are dangerous because they do these things habitually, says Miller.

Last year careless smokers caused 77 fires which did a total damage of \$18,000; carelessness with matches

caused 47 fires and a loss of \$23,000; and carelessness in handling of using volatile liquids, such as gasoline and kerosene, resulted in 154 fires which did damage of over \$200,000, took several lives and injured many.

There were 1,037 fires whose origin was never determined, but in practically all of these cases some form of carelessness or neglect was to blame. Experts have ascertained, from long investigation and study, that from 75 to 85 percent of all fires are preventable. Hence this proportion of the fires in Indiana are due to the carelessness of its citizens.

More Murders

More murders were committed in 1924 than ever before, according to statistics based on reports from 75 principal cities of the United States. Meanwhile, the reformers are ranting about disrespect for law and a class of critics is growing up that is making a target out of newspapers for publishing crime news.

A newspaper editor in New Jersey not long ago permitted a newspaper not to issue a "crimeless" newspaper. It fell "flat", according to a survey of the readers. The editor's critic admitted he did not believe the public would support a "no crime" policy for any length of time.

And why should people buy a newspaper free from crime when a newspaper ought to be a "cross-section" from community life, a truthful mirror of activities!

When we achieve the perfect world, then we may banish crime news from our papers.

Until then, newspapers will continue to reflect the true life of the community, whether it be crime or righteous deeds.

Crime has always been and for many years to come will be an inescapable fact of life. It can't be covered up or glossed over.

Stewart's Washington Letter

BY CHARLES P. STEWART
NEA Service Writer

WASHINGTON — Between the lines of all the obituaries published by the Washington newspapers a few days ago following the death of Allan E. Walker, prominent real estate man and builder of the capital, runs a story quite distinct from that of the career the various articles' authors thought they were confining themselves exclusively to.

It is the story of the merciless exploitation of Washington's tenant class since the year of America's entry into the war.

Allan E. Walker died at the age of 46. His father, the late Bedford W. Walker, was a real estate man before him. The son entered the business when he was 19.

He combined apartment house promotion with his trade in city lots. At the end of 19 more years he was rated at about \$50,000 and it was considered he had done unusually well, his business ranking perhaps second among all of its kind in the capital.

That was the year of America's declaration of hostilities against the central powers—1917. "It was about the year 1917," one obituary quotes a friend of the late real estate man as saying, "that his business began to grow by leaps and bounds." He left an estate estimated at \$1,000,000 and it would have been \$1,000,000 more but for a single quite recent unlucky speculation.

For 19 years Walker saved money at the rate of about \$2000 annually. During the last eight years he accumulated it at the rate of \$625,000 a year. He saw his chance and took it. No blame at

taches to him, as an individual. But Washington tenants footed the bill and the bill of many another real estate man in these last eight years.

An attache of one of the Latin American legations here, a small, dark man, with keen, black eyes, a raven mustache and a high forehead, Oriental-looking nose, told me this story: Visiting New York recently, he had occasion to travel by the "L," so ascended to a station platform and was waiting, inoffensively, for his train, when he was set on by a gang of young hoodlums of the type common to Manhattan's Lower East Side.

Roughly—and intentionally—busted and hustled, he lost his temper. "Quiet get!" he exclaimed. "I need 'ave you arrested." Something in his accent caught one of the young ruffian's attention. "What are you," he asked sharply. "Un Central Americano," rejoined the diplomat. "Hey, fellows!" cried the youth, springing into action with the horrified expression of a participant in a lynching bee who suddenly discovers the wrong man is being strung up. "Lay off! Lay off! He ain't a kike!"

SENATOR and Mrs. Burton K. Wheeler have decided on Marion Montana as the first and second names of their new little girl. Marion is for Senator Robert M. La Follette, Montana is for the Wheelers' home state. Both the senator and his wife have been deluged with telegrams from there ever since their daughter's birth, urging them to call her after it.

AMUSEMENTS**Jackie Coogan At Princess**

What has turned out to be Jackie Coogan's most entertaining picture will be seen at the Princess theatre today and Saturday. His title is "Little Robinson Crusoe," written especially for the little star by Willard Mack, who has let his imagination run rampant in working out a plausible and suitable story for Jackie.

The story has to do with Jackie, who plays Mickey Hogan, orphaned son of a San Francisco police hero. He sets out from San Francisco on a tramp steamer bound for Australia to visit his aunt. When they reach the tropics, however, a typhoon wrecks and sinks the ship, taking down all on board with the exception of Mickey and a black cat, who drift away on an improvised raft and strike the shores of a tropical isle.

Then came cannibals, and Satan, in all his demonic glory, after he beholds the doings of little Robinson on the tropical man-eating island, will hide his face in shame. For Jackie starts the ball rolling and keeps everyone busier than a vagrant pup with a pedigreed herd of fleas parking on him.

TO BE AT TECH FIELD

Newbold of Rushville, Mentioned as
Possible Contender in Pole Vault
—3 Enter From Here

By VEDDER GARD
(Written for United Press)
Indianapolis, Ind., May 22—A
glance at the performances in the
sectional high school track meets
last week gives a good line on the
things that are to be expected Sat-
urday at Tech high school field
here when the prep athletes of the
state compete in the ninth annual
track and field tourney of the I. H.
S. A. A.

Dope does not always run true
to form in any sport event but
judging from cold figures a good
guess as to the outcome of some of
the events can be made.

The shot put seems decided right
now unless Knece of Wabash high
breaks an arm. He tossed the shot
52 feet 6 1-2 inches at the Logans-
port sectional. No other athlete ap-
proached that mark, which was far
beyond the old record of 47 feet 6
5-5 inches.

Hutton of Manual, Indianapolis,
went over the low hurdles in 25 2-10
seconds, which bettered the old mark
of 26 1-10 seconds. If the Red and
White star is in form at the state
tourney he should win this event.

He is a consistent performer and
none of the sectional marks was
within a second of his time. Good
of Frankfort is a fine hurdler and must
be considered over the low and high
"sticks."

The 100-yard and 220 yard dash-
es are usually very close and breaks
decide the issue many times. Walter
of Kokomo is perhaps the best in

the state at the short
sprints. He holds the record in the
220, which is his best event. His sec-
tional time of 22 4-5 was the best in
the preliminaries.

In the 100 McCreary of Bicknell
was clocked at 10 seconds flat in the
Vincennes tourney. The centary dash
appears some what of a toss-up.
Gordon of Lowell ran it in 10 2-3,
as did Walter of Kokomo. A number
of the others however must be given
equal chances. In the 440 yard dash
Wampler of Vincennes is reported
to be a whizz. His time in the sec-
tional was 52 4-5 seconds which is
fast enough to make somebody step
at Tech on Saturday it is believed.
Smock of Logansport did the best
time in the sectional, 52 2-5 seconds,
which equals the State record. It is
another open race with a number
having a chance.

It is difficult to pick a probable
winner of the half-mile event. Os-
man of Brazil showed his heels to
the field at Terre Haute last week
and ran the race in 28:07 4-10. It
was the best sectional performance.
Davis of Boonville, Hopkins of Ac-
ton, and Teeters of Elkhart showed
good speed.

No very good milers were un-
covered. The best time made by La-
mont of Central high, Ft. Wayne,
was the seconds slower than the re-
cord. Jones of Elwood was 1-5 of
a second slower. He is always a
dangerous man. Gladden of Masonic
Home, Franklin, made the third.
Good of Frankfort and Clift of
Tech look like the logical ones to
battle it out over the high hurdles.
Clift is a veteran who is very con-
sistent. Good's time was a fifth of
a second faster in the sectionals. The
two mentioned were the only ones
to go over the tall timbers under 17
seconds.

Wilson of Tech, negro athlete,
seems to have the edge in the
broad jump. The big boy has been
going great this spring and last Sat-
urday leaped 21 feet, 2 3-4 inches
which is plenty good for a high
school effort.

The pole vaulters are nothing to
rave about. The northern part of the
State appears to have quite an ad-

vantage as three youths in the Gary
meet tied at 11 feet 3 inches. No one
else went more than 11 feet. Perro-
to and Stanton of Froebel, Gary,
and Wilkie of Michigan City tied at
the high mark. Newbold of Rushville,
Demary of Tech, Rabush and Mar-
tin of Manual, and Wissinger of
Logansport went over the bar at 11
feet.

Manual's all-round star, Leon
Hutton probably will give the other
contestants a struggle for high jump
honors. His competition may come
from Hemmer of Huntingburg. Pel-
tit of Logansport, Mayo of Dana
and Leonard of Rochester. Hemmer
had the best leap, 5 feet 9 3-4 in-
ches. Hutton and Mayo went over
the bar at 5 feet, 9 inches.

In the relays Tech looks like a
winner in the half-mile. The India-
napolis school has a fast group of
sprinters whose mark of 1:36 made
Saturday was only 5-10 seconds
slower than the State mark held by
the same school.

Michigan City won the mile relay
at Gary in 3:41 for the best mark in
the sectionals. Martinsville at the
Indianapolis prelims went the mile in
3:42 -10. Other teams did not ap-
proach these marks.

Saturday will get the real story.
The meet starts at 9:30 o'clock in
the morning when trials will be
held. The afternoon session will
commence at 1:30 o'clock.

The 440, 880 and mile run will be
in two sections because of the large
number of entrants.

Newbold, Miller and Farthing, all
of Rushville will be entered in the
state finals, because of the way they
finished in the events at Conners-
ville last week.

By HENRY L. FARRELL
(United Press Sports Editor)

New York, May 22—Foreigners
have some very peculiar ideas about
our national game of baseball. Few
of them have seen the game played
by skilled professionals and not
many of them knew what it was
all about after they had seen a
game. Not only are they for the
most part ignorant about the tech-
nical part of the game, but they do
not know nor understand the organi-
zation of the major leagues.

Some time ago a British sport
writer, who had been sent to this
country to get material for a series
of stories on American sports was
asking some American friends for
some information about baseball.

He didn't care to know so
much about the rules of the game
and was interested principally in
the administration of the game.

During the discussion it was
pointed out to him that the two New
York teams had performed the un-
usual feat of playing in three suc-
cessive world's series and that the
Giants had made a record by win-
ning four consecutive championships.

He failed to see anything unusual
about that and when asked for his
reason, he replied:

"I should think New York will
win all the championships because
New York is the biggest city in your
country and more ball players
should be raised here than in any
other city."

He was of the impression that a
New York team consisted entirely of
players born or belonging to New
York, although that does not hold

good among the British profes-
sional football and cricket players.

His discussion, however, brought
up the point—where do the ball
players come from.

Only eight of all the ball players
in the major leagues were born in
New York City and only three of
them are playing on New York
teams—Frank Frisch, Waite Hoyt
and Hugh McQuillan. The other
New Yorkers are distributed around
the two leagues—Joe Judge, Wash-
ington Senators; Hack Miller, Chi-
cago Cubs; Val Picinich, Boston Red
Sox; George Toppoer, St. Louis
Cards, and Jimmy Ring, Philadel-
phia Phillies.

The St. Louis clubs have three
natives playing with them—Clar-
ence Mueller with the Cards and
Gene Robertson and Johnny Tobin
with the Browns.

The Cleveland Indians have a na-
tive star in George Uhle and they
used to own another one, Bill
Wambegans, but he was traded to
the Boston Red Sox. The Chicago
White Sox have one home product
in Johnny Mostil.

Pennsylvania seems to be the
ranking state in producing and de-
veloping major league players and
most of the stars turned out come
from the same regions in the coal
mine districts.

KEEPING ONE EYE ON THE SCORE BOARD

Yesterday's Hero: Corky Coch-
rane, young Athletic catcher, hit
three home runs and helped beat the
Browns 20 to 4. Cochrane tied the
modern major league record held
jointly by Ty Cobb, George Kelly,
Ken Williams, Cy Williams, and
Walter Henline.

Pop Young singled in the sixth
inning and drove in the run that
gave the Giants a 5 to 4 victory over
the Pirates.

Bassler's pinch hit double knock-
ed in the only two runs scored off
Walter Johnson and the champion
Senators downed the Tigers 6 to 2.

Tight pitching by Bob Shawkey
in the last five innings kept an ear-
ly lead safe and the Yankees beat
the Indians 6 to 3.

Chick Hawks accounted for four
runs with a single and a homer and
helped the Phils beat the Reds 9 to
1.

Dazzy Vance pitched the first
game of the season in his 1924 form
and the Robins beat the Cubs 5 to
4. Loose fielding let in three Cub
runs.

Three runs scored on a rally in
the seventh inning gave the Red Sox
a 9 to 7 victory over the White Sox.
Savage hitting gave the Braves a
12 to 3 win from the Cardinals.

The Ladies Aid Society of the St. Paul's M. E. church will be entertained Tuesday afternoon at 2:30 o'clock at the church with Mrs. E. I. Wooden, Mrs. Frank Sample and Mrs. E. H. King as the hostesses. All the members are urged to attend this meeting.

Announcements have been received here of the marriage of Miss Gladys Allen, daughter of Mr. and Mrs. Eliss Allen of Salem, Ind., and Stanley Stewart, son of M. L. Stewart of this city, which took place in Indianapolis Tuesday evening at 7:30 o'clock. They will be at home to their friends in North New Jersey street, Indianapolis, after May 24.

A very interesting meeting of the Priscilla Art and Literary Club of Falmouth was held Thursday afternoon at the home of Mrs. Earl Hinchman near Raleigh, in the form of a musical program. The responses to the roll call were Musical Composers; vocal solo, Mrs. C. T. Scholl; Life of Chaminade, by Mrs. Russell Baker; piano solo, Miss Meriam Hinchman. Dainty refreshments were served at the close of the program. The next meeting will be held June 7 at the home of Mrs. Hugh Dickey.

Mrs. T. E. McAlister was a delightful hostess Thursday afternoon when she entertained the members of the Shamrock club at her home in West Second street. After an informal social afternoon a delicious two course luncheon was served to the following guests: Mrs. Robert Williamson, Mrs. Fred Jones, Mrs. John Keating, Mrs. Claude Parrish, Mrs. John Reardon, Mrs. James Culp, Mrs. Thomas McAlister, Mrs. Flodder, Mrs. Carl Bruning, Mrs. Caldwell, Mrs. James Moore and Mrs. Elmer Thorpe.

Edward Peak was pleasantly surprised Tuesday evening when a number of friends and relatives gathered at his home in this city to remind him of this birthday. Among those present were the Misses Viola and Elizabeth Lucas of Connersville, Lucy Mae Black of Brookville, Ky., Leona, Ada, Luella and Edna Ogden, Alcen Smith, Lucille Moore, Alcen Ryon, Ruby Williams, Fay Dungan and Pauline Newman, and Ernest Lucas of Connersville, George Stevens, Wilbur Matlock, Burney Joyce, Price Cox, George Morgan, Burney Jackson, Nolan Williams, Wayne Newman, Russell Rankin, Virgil Elder and Lot Hendricks, Mr. and Mrs. Dan Moore of Everton, Mr. and Mrs. Maston of

Greensburg, Mr. and Mrs. Harry Markley, Mr. and Mrs. Earl Gregory, Mr. and Mrs. C. O. Mullin and children, all of this city.

Music, games and dancing formed the entertainment for the evening. Refreshments of ice cream and cake were served.

The Tri Kappa sorority will be entertained Monday evening by Miss Thelma Northam at the home of Mrs. Chester Cross, northwest of the city. The meeting will be called at 7:30 o'clock and all members are urged to be present.

Mrs. Peter Waggoner entertained Sunday at her home in Orange township, Mr. and Mrs. Grant Miller, Mr. and Mrs. Richard Abernathy, Martha Hungerford, Mr. and Mrs. Lewis Waggoner and daughter Linnie and Hazel, Mrs. Myrtle Spalding and daughter Eleanor.

The regular monthly meeting of the D. A. R.'s was held Thursday afternoon at the home of Mrs. Fred Caldwell in North Morgan street. A splendid program was enjoyed, consisting of a quartet selection by Mrs. C. E. Walden, Mrs. D. D. VanOsdel, Miss Alice Norris and Mrs. Earl Moore; piano solo, Miss Virginia Lucas; vocal solo, Miss Florine Gronier, accompanied by Mrs. Hugh Manz.

During the business session the officers for the past year were re-elected to hold the same offices for the ensuing year and delegates to the state convention to be held in October were elected as follows: Mrs. Willard Amos, regent; Mrs. Rena Warner, Mrs. Hal Green and Mrs. Sarah Giffin. The alternates were Mrs. Jesse Logan, Miss Anna Mary Cowan, Mrs. Cohee and Mrs. D. D. VanOsdel.

An informal social period was held following the meeting and dainty refreshments were served, the hostess being assisted by Miss Laura Meredith, Mrs. Dora Wilson, Mrs. Hester Harton, Mrs. Coma Gray, Mrs. Nellie Tinsworth and Mrs. Ruby Christ. Out of town guests present were Miss Hazel Mowers, of Spokane, Wash., and Mrs. Lotta Bell of New Jersey.

CONDITION ENCOURAGING

Mrs. H. P. Metcalf of New Salem who has been seriously ill for several weeks, was reported today to be improving rapidly, and with her condition most encouraging.

FOR WORKING PEOPLE

The best of workers get out of sorts when the liver fails to act. They feel languid, half-sick, "blue" and discouraged and think they are getting lazy. Neglect of these symptoms might result in a sick spell, therefore the sensible course is to take a dose or two of Herbine. It is just the medicine needed to purify the system and restore the vim and ambition of health. Price 60c. Sold by

SEN. AND MRS. WATSON OFTEN AT WHITE HOUSE

Washington, May 22—President and Mrs. Coolidge entertained Senator and Mrs. James E. Watson at dinner in the White House a few evenings ago. The two families are together frequently. And the chances are that when Mrs. Coolidge and Mrs. Watson get together they talk about sons and daughters rather than bridge and teas for they are mothers who are far more interested in their home than in society, though each one is perfectly capable of meeting any social requirements. Mrs. Coolidge has a great interest in her son, John, now away at Pennsylvania academy. Having lost the second son by death, John has her undivided love and interest. Mrs. Watson is the mother of three sons and a daughter. They and the Senator represent her chief interest. The Senator has such a chummy relationship with his three sons that visitors to his home are more likely to think of him as the fourth "boy" rather than as a stern father. When the Senator goes to the baseball game or to the movies, his attractive young daughter or one or all of his sons are most likely to be his companions.

School Seniors Announced as
Commencement Weeks Opens

BACCALAUREATE ON SUNDAY

Festivities Open with Class Day
This Afternoon and Junior-Sen-
ior Reception Tonight

Fifty-eight Rushville high school seniors will receive diplomas at the annual commencement exercises at the Main Street Christian church Friday evening, May 29, it became known today when the class roll was announced.

The class address will be delivered by the Rev. B. J. Bush, pastor of the First Presbyterian church of Lexington, Ky., who was recommended to school authorities as a public speaker of marked ability.

Music at the commencement will be provided by the high school orchestra under the direction of David S. McIntosh. The invocation will be delivered by the Rev. E. G. McKibben, pastor of the First United Presbyterian church, and the benediction by the Rev. B. F. Cato, pastor of the Main Street Christian church. Special musical numbers will be provided by the high school. The class will be presented by E. E. Butler, principal of the high school, and diplomas will be presented by H. B. Allman, superintendent of schools.

The Rev. Gibson Wilson, pastor of the First Presbyterian church, will deliver the baccalaureate sermon at the Main Street Christian church Sunday evening at 7:30 o'clock. His theme will be "The Master of Dreams."

Instrumental selections will be played by Cole's orchestra and there will be a vocal duet by Mr. and Mrs. D. S. McIntosh and a solo by Miss Helen Jachne. The invocation will be delivered by the Rev. H. W. Hargett, pastor of St. Paul's Methodist Episcopal church, and the scripture reading will be given by the Rev. R. W. Sage, pastor of the First Baptist church. The benediction will be pronounced by the Rev. Mr. Wilson.

TRACTION STATION AT ARLINGTON IS DAMAGED

About One Half of the Roof Burned
Off This Afternoon When Sparks
Start the Blaze

VOLUNTEERS DO GOOD WORK

Arlington had a fire scare this afternoon shortly before two o'clock when the roof of the Indianapolis and Cincinnati traction station caught fire, and only by heroic efforts was the building saved.

A switching train on the C. I. & W. railroad is believed to have sent a spark over to the roof. Several garden hose lines in the neighborhood were used, and buckets of water, and it so happened that an I. & C. work train was there and the men aided. They used chemical tanks from the work train, and fought the flames until they were extinguished.

It was estimated that about one-half of the roof was burned away, and it is regarded as fortunate that the building was saved. A strong wind fanned the flames, and if it had not been noticed when it was just getting started, several nearby houses would have been in danger from flying sparks and shingles. The loss will probably be protected with insurance.

TO INSTALL ORANGE CHAPTER

New Lodge Will Get Charter at
Orange Saturday Night

Mahoning Council 36, Degree of Pochontas, of this city, have been invited to take part in the installation of a new chapter of the order at Orange Saturday night, and many from here will attend. All those going from here are urged to be at the Red Men hall promptly at 6:15 tomorrow night. The new chapter at Orange will be officially installed by the Great Pochontas, Ollie Patton of Anderson, with the Rushville order assisting in the ceremonies, and for that reason it is urged that as many members as possible attend from the local lodge.

AFTERNOON STORM DOES BIG DAMAGE

Sweeps Southern Illinois and Passes
Into Indiana, Playing Havoc in
Montgomery County

WIND, RAIN AND HAIL REPORT

Near Crawfordsville Cyclonic Pro-
portions Reached in Several Dips
That Are Made

Mt. Carmel, Ill. May 22—A high wind, which at times reached cyclonic velocity, struck the vicinity of Harrisburg and Marion over night doing considerable damage.

No loss of life was reported. First information here was that several houses had been destroyed, trees uprooted and telegraph and telephone wires torn down. There was also an electric storm, which preceded the wind.

No estimate of the amount of damage from the storm could be obtained here today.

Visits Southern Illinois

St. Louis, Mo., May 22—Southern Illinois was visited by another wind storm over night, according to meagre reports reaching here today.

All telephone communications in the district are paralyzed and only meagre telegraphic service can be obtained.

The center of the storm, according to first reports was in the vicinity of Marion, Harrisburg and Me-Leansboro.

At Harrisburg, the reports say, several houses were destroyed.

The wind storm was accompanied by a terrific electric storm and one man was reported killed at Me-Leansboro.

Hits Near Crawfordsville

Crawfordsville, Ind., May 22—Montgomery county today took count of the damage from the tornado which swept the western section of the county Thursday afternoon.

No lives were lost and no one was injured by the storm but the property loss will total thousands of dollars.

Sweeping through a section of the county that is not densely populated, the tornado levelled barns and farm buildings and snapped off trees and telephone poles.

The area covered by the storm was more than three miles long. The storm lifted on the outskirts of Crawfordsville and did little damage in the city.

A heavy rain and hail storm accompanied the tornado, breaking hundreds of window panes in the city. In the country the hail beat down early crops.

Most of the farm houses in the path of the tornado were undamaged although barns and other outbuildings in some cases only a few yards from the houses were partially wrecked.

Poultry and hogs on the farm off A. B. Simons were lifted up by the tornado and carried away. Simons is still hunting for them.

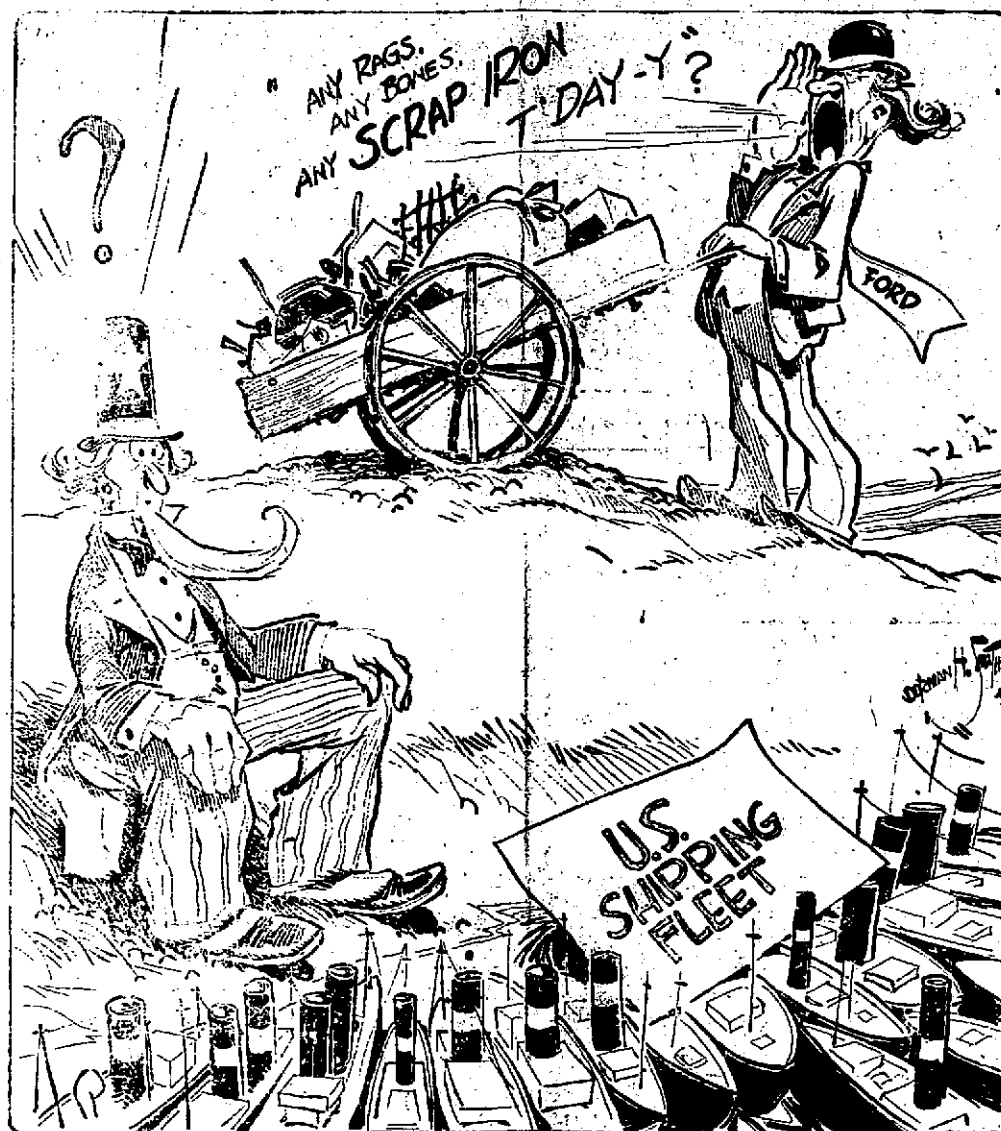

The home of Frank Myers showed no signs of the destruction, but every other building on the farm was practically demolished.

Telephone communication was disrupted and linemen worked throughout the night to repair the breaks.

It was regarded as almost miraculous that no one was killed by the storm, the worst that has visited

HENRY WILL TRY ANYTHING ONCE

SIX COMMANDERIES WILL BE REPRESENTED

Three Others Which Have Been In-
vited May Participate in Ascen-
sion-Day Ceremonies

ORPHANS HOME BAND TO PLAY

At least two Knights Templar commanderies in addition to the four that celebrate Ascension Day together, will be represented at the annual ceremony to be held in Rushville Sunday.

Richmond and Greensburg, two of the five invited to participate, in the observance with the Knightstown, Newcastle, Greenfield and Rushville commanderies, have sent word that they will be here with a good sized representation of members.

The Knights, all in full uniform, will form for a parade at Perkins and Third streets and will move south in Perkins to Second, west to Main, north to Fifth, west to Morgan, north to Seventh, east to Main and down to the Main Street Christian church, where the services will take place at 2:45 o'clock. The address will be delivered by the Rev. J. J. Rea, pastor of the Richmond Presbyterian church.

The parade will be led by the Knightstown Soldiers' and Sailors' Orphans' Home band. Albert P. Waggoner, formerly of this city, is the director. Following the exercises, the band will give a concert on the streets. If the weather interferes the management of the Princess theatre will permit its use for the concert.

Members of Rushville commandery are preparing to serve 500 persons with light refreshments at the Masonic Temple following the church services. Returning from the church, the Knights will use the mass formation in coming down the Main street hill.

REACH NORTH POLE BY PLANE

Dispatch From Norway May be Con-
firmed Shortly

London, May 22—The Central News carried a dispatch from Oslo, Norway, this afternoon stating that an unconfirmed report from King's Bay said Captain Rayold Munsen has reached the north pole and is now enroute back to his starting place. The dispatch added that the King's Bay correspondent of the Central News has not been able to confirm the report.

William Blackledge Rushville high school graduate and son of Mrs. Lenora Blackledge of West Lafayette, Ind., formerly of this city, was one of five freshmen in Purdue to receive a medal as a pistol expert. He is a member of the freshman varsity pistol team which was selected from a group of 190 because of expert marksmanship. The presentation took place the last corps day of the year Tuesday.

JURY HEARS CASE IN COURT TODAY

Action of Bertram Wilson Against
Elmer Addison and Elmer Holloway
Involves Stake of \$350

FOR REPAIR OF PIANOS

Two New Complaints Also Filed,
One Being For Judgment on Ac-
count and Other on a Note

A jury was sitting in the circuit court today, the first one in several weeks, in which the case of Bertram Wilson against Elmer Addison and Elmer Holloway was being heard, and which was expected to be concluded by late today.

The action is on an account in which \$350 judgment is at stake. The deal involves the repair of several player pianos, which were required to be operated electrically. The plaintiff resides in Peru, and the defendants now live in Arlington, but the action involves pianos repaired for them when they lived in Greensburg.

The jury that was hearing the case consisted of Arthur J. Trowbridge, Albert Canady, Don Brooks, William B. Kirkpatrick, Theodore Abercrombie, Charles Hugo, Jess Rehnerford, Lford Stiers, C. W. Myers, John Wright, B. F. Reeve and Fred Brown.

Among the new cases filed in court, is a complaint in two paragraphs brought by the Lee B. Mull and Company against the Rush county Mills, the action being to collect damages on a contract for a total of \$375.

The action in the first paragraph alleges that the defendants ordered a car load of goods from them, and before it was shipped, asked that it be delayed until a certain date. The car was shipped on the date specified, according to the complaint, and was refused when it arrived here.

The complaint in the first paragraph asks \$225 judgment and in the second paragraph, seeks to collect

BODIES OF THREE BOYS FOUND MANGLED TODAY

Youths of Dugger, Ind., Killed by
Train, May Have Been Asleep on
the Tracks

ALL BODIES ARE IDENTIFIED

Sullivan, Ind., May 22—The mangled remains of three boys all residents of Dugger, Indiana, were found strewn for five hundred feet along the Illinois Central railroad tracks three miles east of here today.

The bodies were identified as those of Donald Boyles, 15, Glen Boyles 13, and Sheridan Butler 12.

Evidence today indicated that they had been killed by a north bound freight Thursday night. The boys left home at four p. m. Thursday. When they failed to return at nightfall their parents notified Sheriff Newman Guy of Sullivan county and a search was started that ended with the finding of the bodies this morning by Elsa Shanks.

The railroad runs through a deep and narrow cut at the point where the tragedy occurred and it is believed that the boys were either trapped by the on coming train or were asleep on the track.

All three of the lads were under suspended sentences in the Sullivan court for breaking into Dugger Homes and various other minor depredations.

WALKER TOWNSHIP MAN EXPIRES AT AGE OF 80

Jacob Wissing, Well Known Farmer,
Was Born in Germany and Came
Here When 12 Years of Age

FIVE SONS ARE SURVIVORS

Jacob Wissing, well known farmer of Walker township, died Thursday night at ten o'clock at his home north of Manila, death resulting from complications arising with advanced age. He was in his 81st year.

Mr. Wissing was born in Germany, and came to this country when he was 12 years of age, and settled in this county, where he had spent his life, excepting intervals spent in Shelby county. He was born November 18, 1844. He had been ill for some time, but was not regarded as dangerously ill until last Saturday.

He was married November 18,

JOINT MONTHLY MEETING HELD

Richland Township Organizations
Hear Talk and Orchestra Concert

The joint meeting of the Richland Township Farm Bureau and Parent-Teachers' association of the township was treated to a concert by the New Salem high school orchestra Thursday evening and a short talk was given by Roy E. Harrold of this city on "Co-operation."

Three entries for a township pig club were obtained during a short business session of the farm bureau and it was decided to hold the annual picnic at an amusement park near Greensburg June 10. The Anderson Township Farm Bureau will be invited to join in the picnic.

The New Salem orchestra, which is directed by Albert Jinks, was very popular with the crowd. In addition to the orchestra numbers, there was a trombone solo by Howard Keisling, a vocal solo with orchestra accompaniment by Miss Evelyn Cook and a violin solo by Miss Marianne Holman, with piano accompaniment by her sister.

HEAT WAVE MAY BRING SHOWERS

Weather Prediction for This Vincin-
ity Promises Relief After Thun-
derstorms Tonight

MERCURY NEARLY TO 90

Heat Prostrations Reported From
Several Points in Middlewest,
Suffering in Heat Wave

The heat-wave which sent the mercury today up to near the 90 mark, was expected to be broken by Saturday, according to the weather report, which today predicted increasing cloudiness tonight, followed by thunderstorms in this area. Cooler weather is predicted for Saturday.

Two Die in St. Louis

St. Louis, Mo., May 22—The elements have taken two lives, sent a third man to the hospital suffering from heat prostration, and caused a property damage of between \$50,000 and \$100,000 in this district.

The two persons killed were Mr. and Mrs. M. D. Kesterson. Their home at Centralia, Ill., was struck by lightning late Thursday. Their two children were badly burned.

Wave Grips Middlewest

Chicago, May 22—A heat wave of unusual intensity for this season of the year, grips the middlewest and the entire south, Prof. Henry Cox, chief of the weather bureau here reported today.

Heat prostrations were reported from several points, Kansas City being the first hit. The temperature there reached 90 degrees.

At Dodge City, Kans., citizens sweltered in 100 degrees of heat. At Omaha Neb., and Oklahoma City, Okla., and Wichita, Kans., the temperature was 98. Chicago's temperature was 84, just two degrees below the hottest May 22 in the weather bureau's records. At Haron, S. D., it reached 94 degrees and at Grand Haven, Kans., it was 96.

Thunderstorms may be given momentary relief from the heat, Prof. Cox said.

JAILED FOR INTOXICATION

Greeley Perkins, formerly of this city, who is making his home at a Soldiers home, was arrested late Thursday by Patrolman Smith on a charge of intoxication, and placed in jail, pending his trial, which was expected to be held this afternoon or tonight. Perkins has been here spending a vacation from the government home. His arrest is the second one to be made under the prohibition law which carries a minimum fine and costs of \$40.

AT BATESVILLE TODAY

Between 18 and 20 Pythian Sisters of Rushville left this morning in a special chartered bus for Batesville, where they attended the annual district convention of the order.

VICTORY FOR YOUNG FUNDAMENTALISTS

So Regarded by William Jennings
Bryan, Who Comments on Elec-
tion of Dr. C. R. Erdman

PRESBYTERIAN MODERATOR

Commoner Turns Attention to Test
to Evolution Law to Take Place
at Dayton, Tenn

By EARL J. JOHNSON
(U. P. Staff Correspondent)

Columbus, O., May 22—Pushed into the background of Presbyterian assembly affairs by a complete victory of younger men, William Jennings Bryan, 65 and lacking somewhat in the physical vigor of former years turned his attention today of the impending test case of evolution in a squire's court at Dayton, Tenn.

Bryan said he had just received a letter from the law firm of Hicks accepting his services as associate counsel in the prosecution of John T. Scopes, accused of violating the new Tennessee law against teaching the theory of evolution.

"I will go to Dayton as soon as the case is called for trial," the Commoner said. "It is by no means a comedy skit. Christian people everywhere know that this trial is going to answer the most important question before the American people; who is going to control our schools system—a minority of pseudo-scientists, or a great Christian majority?"

The "new" Bryan was speaking, the Bryan who has laid down the standards of political battle and taken up their place and with even more determination of spirit, the cross of his religious faith.

Bryan declared that although the election of Dr. Charles R. Erdman of Princeton University as moderator of the Presbyterian assembly was a personal defeat for him, it was nevertheless a great victory for the younger fundamentalists. Bryan was expected to nominate Dr. W. O. Thompson, president of Ohio State University but lost out when Thompson asked that his name be withdrawn and voted for Dr. Lapsley McAfee of Berkeley Calif.

Bryan came from afar to engage in a great church battle but when the first skirmish came he didn't even take off his coat.

The Commoner said he was "not the least bit interested" in the charge of Clarence Darrow, famous criminal lawyer planning to aid the defense in the Scopes trial, that he is a "witch burner."

"I know Darrow very well," Bryan said, "but I don't care to deal in personalities."

"The fact is that merits of evolu-

INTOXICATION CASE VENUED TO WALDRON

James Clegg, Carthage Citizen, Ar-
rested at Shelbyville, Takes Ap-
peal on One Charge

SECOND CHARGE IS SERIOUS

A change of venue has been taken in the case of James Clegg of Carthage, charged at Shelbyville in two complaints following his arrest last Sunday when the machine which he was driving, ran into another car, and he was held for liquor law violations.

In the case charging him with being intoxicated filed before Squire Harry Ray, he asked for a change of venue, and the action was sent to the justice of the peace at Waldron, who will hear his case, and where a jury will be asked to determine the evidence. The outcome of this case will determine the disposition of the other case.

An affidavit charging Clegg with driving an automobile while intoxicated is now pending in the Shelby circuit court. Clegg was arrested last Sunday after an automobile which he was driving collided with an automobile driven by Alonzo Rhodes, of Marion township. The accident occurred near the Walker school house, on the Knightstown road.

Boils!

S.S.S. will rid you of boils, pimples, blackheads and skin eruptions!

DON'T CLOSE your eyes to the warning which Nature gives when angry, painful boils appear on your neck, face or other parts of your body. Boils, pimples and so-called skin disorders are the result of an impoverished condition of the blood and are not to be trifled with.

It is nothing more than folly to expect to get absolute relief from the use of local treatments, such as ointments, salves, etc. Such remedies may afford temporary relief but you want more than relief; you want a remedy which will rid you forever of the torturing disorder. And the one remedy which has no equal is S.S.S.

S.S.S. stops boils and keeps them from coming. S.S.S. builds blood-power! That is what makes fighting blood. Fighting blood destroys impurities. It fights boils! It fights skin eruptions—pimples, blackheads, eczema! It always wins! S.S.S. has been known since 1826 as one of the greatest blood builders, blood cleansers and system strengtheners ever produced. There are no unproven theories about S.S.S., the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities. Begin taking S.S.S. today and clear your skin of those blood disorders!

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

CHARGES MAY BE PREPARED

Former Attendant at Eastern Indiana Hospital Accused

Richmond, Ind., May 22—Charges of involuntary manslaughter probably will be placed against Claude Williams, former attendant at the Eastern Indiana Hospital for the Insane, it was indicated today.

Williams is charged with being responsible for the death of Landy Jackson, of Decatur, an inmate, who died Monday after being placed in a bath of scalding hot water.

Coroner Bond and Prosecutor Stanley are making a thorough investigation of the case.

Williams was discharged by Dr. L. M. Ross, superintendent of the institution, when Jackson was found to be in a serious condition as a result of the bath. Williams' whereabouts is unknown.

LATEST "CLEW" IS EXPLODED

Two Men Suspected of Being "Bicycle Bandit" Are Released

Indianapolis, Ind., May 22—The latest "clew" in the investigation of the double murder of Miss Katherine Herbers and Howard Fisher at Fort Wayne, was exploded today.

Police received word from Fort Wayne authorities that two men held on a vagrancy charge here did not resemble the description of the "bicycle bandit" believed by Fort Wayne detectives to be the murderer.

The two men were released immediately. They had been slated on the vagrancy charge as Theodore Penn of Cincinnati and William Smith of Louisville.

Bloomington—Carl Stevens and Robert Duncan were injured when the machine Stevens was driving sideswiped a locomotive here. According to bystanders Stevens was not looking where he was going and ran into the moving engine.

Peru—James Mills, 18, of Pymor, strapping and handsome, started out to see the world. He woke up in a Peru hospital with both legs off at the hips. He fell beneath the wheels of a freight train he was riding.

Lyford—John Stutler of Lyford may not dim his lights for a while. He turned off his bright lights of his Ford while passing another car and the switch stuck. In the darkness he crashed on into another. No one was hurt but the cars were both wrecked.

ANACONDA FERTILIZER

Do Not Get Caught Twice!

Remember last year's *Soft Corn*?

It was caused by a late Spring. This Spring so far has been very chilly, too. You are apt to have *soft corn* again.

Even with good weather, soft corn is the result of not using sufficient fertilizer.

Insure your corn against failure by applying plenty of phosphate.

Even if already planted, hasten maturity by broadcasting phosphate over it now.

It will shorten the growing season ten days to two weeks.

Betsy Ross and Potato Bread Prove It!

IF YOU have never realized that there is a very real difference in bread, you will become aware of this fact when you try Betsy Ross and Potato Bread. There is as much difference between this and ordinary bread as between sirloin and flank steak. The superiority of Betsy Ross and Potato Bread will become increasingly apparent with its continued use.

Every ingredient used in Betsy Ross Bread is the finest that can be obtained. They are selected with great care, for each must contribute its share to the goodness of the finished loaf. Every material is tested in the laboratory to insure its purity and wholesomeness. Everyone is healthful and nourishing. When combined, in the proper proportions, these ingredients make Betsy Ross and Potato Bread the tastiest loaf you can buy anywhere.

To be sure of getting no other than this super loaf, always ask for Betsy Ross or Potato by name. Betsy Ross and Potato Bread is baked in Connersville and is as fine a loaf as can be baked. Your grocer can supply you. Insist upon having it.

BIBLE THOUGHT
—FOR TODAY—
Bible Thoughts meant to give a
devotional impulse in other people.

Self Denial—Whosoever will come after me, let him deny himself, and take up his cross, and follow me. For whosoever will save his life shall lose it; but whosoever shall lose his life for my sake and the gospel's, the same shall save it. Mark 8: 34, 35.

Prayer—We thank Thee, O Lord, for the lesson so marvelously illustrated in Thy life; except a corn of wheat fall into the ground and die, it abideth alone, but if it die it bringeth forth much fruit.

Costly Carelessness

Carelessness is costly, particularly where fire is concerned. The state fire marshal department has the figures to prove this assertion. The careless and the negligent persons are the greatest obstacles to fire prevention, observes Newman T. Miller, the state fire marshal, and a great part of the responsibility for the annual fire losses must be borne by them, he believes.

Some of the most dangerous offenders are those guilty of minor faults, such as putting coins in fuses, leaving the curling iron and the electric iron without turning off the current, tossing matches and burning cigarettes and cigars where they may start fires, and tampering with gas and electric light fixtures. They are dangerous because they do these things habitually, says Miller.

Last year careless smokers caused 77 fires which did a total damage of \$18,000; carelessness with matches

caused 47 fires and a loss of \$23,000; and carelessness in handling of using volatile liquids, such as gasoline and kerosene resulted in 154 fires which did damage of over \$200,000, took several lives and injured many.

There were 1,037 fires whose origin was never determined, but in practically all of these cases some form of carelessness or neglect was to blame. Experts have ascertained, from long investigation and study, that from 75 to 85 percent of all fires are preventable. Hence this proportion of the fires in Indiana are due to the carelessness of its citizens.

More Murders

More murders were committed in 1924 than ever before, according to statistics based on reports from 75 principal cities of the United States. Meanwhile, the reformers are ranting about disrespect for law and a class of criminals is growing up that is making a target out of newspapers for publishing crime news.

A newspaper editor in New Jersey not long ago permitted a judge of the community to issue a "crimeless" newspaper. It fell "flat", according to a survey of the readers. The editor's critic admitted he did not believe the public would support a "no crime" policy for any length of time.

And why should people buy a newspaper free from crime when a newspaper ought to be a "cross-section" from community life, a truthful mirror of activities?

When we achieve the perfect world, then we may banish crime news from our papers.

Until then, newspapers will continue to reflect the true life of the community, whether it be crime or righteous deeds.

Crime has always been and for many years to come will be an inescapable fact of life. It can't be covered up or glossed over.

Stewart's Washington Letter

BY CHARLES P. STEWART
NEA Service Writer

WASHINGTON—Between the lines of all the editorials published by the Washington newspapers a few days ago following the death of Allan E. Walker, prominent real estate man and publisher of the capital, runs a story quite distinct from that of the career the various articles' authors thought they were confining themselves exclusively to.

It is the story of the merciless exploitation of Washington's tenant class since the year of Agner's entry into the war.

Allan E. Walker died at the age of 46. His father, the late Redford W. Walker, was a real estate man before him. The son entered the business when he was 19.

He combined apartment house promotion with his trade in city lots. At the end of 19 more years he was rated at about \$50,000 and it was considered he had done unusually well, his business ranking perhaps second among all of its kind in the capital.

That was the year of America's declaration of hostilities against the central powers—1917. "It was about the year 1917," the late real estate man is saying, "that his business began to grow by leaps and bounds." He left an estate estimated at \$4,000,000 and it would have been \$1,000,000 more but for a single quite recent unlucky speculation.

For 19 years Walker saved money at the rate of about \$2900 annually. During the last eight years he accumulated it at the rate of \$625,000 a year. He saw his change and took it. No blame at-

tached to him, as an individual. But Washington tenants footed the bill and the bill of many another real estate man in these last eight years.

An attaché of one of the Latin American legations here, a small, dark man, with keen, black eyes, a raven mustache and a high-bridged, Oriental-looking nose, told me this story. Visiting New York recently, he had occasion to travel by the "L." so as to get to a station platform and was waiting, inoffensively, for his train, when he was hit on by a gang of young hoodlums of the type common to Manhattan's Lower East Side.

Roughly—and intentionally—busted and hustled, he lost his temper. "Quiet eat!" he exclaimed. "I will have you arrested." Something in his accent caught one of the young ruffian's attention. "What are you?" he asked sharply. "A Central American," rejoined the diplomat. "Hey, fellows!" cried the youth, springing into action with the horrified expression of a participant in a lynching bee who suddenly discovers the wrong man is being strung up. "Lay off! Lay off! He ain't a kike."

SENATOR and Mrs. Burton K. Wheeler have decided on Marion Montana as the first and second names of their new little girl. Marion is for Senator Robert M. La Follette. Montana is for the Wheelers' home state. Both the senator and his wife have been deluged with telegrams from there ever since their daughter's birth, urging them to call her after it.

AMUSEMENTS

Jackie Coogan At Princess

What has turned out to be Jackie Coogan's most entertaining picture will be seen at the Princess theatre today and Saturday. Its title is "Little Robinson Crusoe," written especially for the little star by Willard Mack, who has let his imagination run rampant in working out a plausible and suitable story for Jackie.

The story has to do with Jackie, who plays Mickey Hogan, orphaned son of a San Francisco police hero. He sets out from San Francisco on a tramp steamer bound for Australia to visit his aunt. When they reach the tropics, however, a typhoon wrecks, and sinks the ship, taking down all on board with the exception of Mickey and a black cat, who drift away on an improvised raft and strike the shores of a tropical isle.

Then came cannibals, and Satan, in all his demoniac glory; after he beholds the doings of little Robinson on the tropical man-eating island, will hide his face in shame. For Jackie starts the ball rolling and keeps everyone busier than a vagrant pup with a pedigreed herd of fleas parking on him.

TRACK MEN STAGE FINISH SATURDAY

High School Athletes, Winners in Various Sectionals Last Week, Will go into Finals.

TO BE AT TECH FIELD

Newbold of Rushville, Mentioned as Possible Contender in Pole Vault —3 Enter From Here

By VEDDER GARD
(Written for United Press)
Indianapolis, Ind., May 22—A glance at the performances in the sectional high school track meets last week gives a good line on the things that are to be expected Saturday at Tech high school field here when the prep athletes of the state compete in the ninth annual track and field tourney of the I. H. S. A. A.

Dope does not always run true to form in any sport event but judging from cold figures a good guess as to the outcome of some of the events can be made.

The shot put seems decided right now unless Knece of Wabash high breaks an arm. He tossed the shot 52 feet 6 1-2 inches at the Logansport sectional. No other athlete approached that mark, which was far beyond the old record of 47 feet 6 3-5 inches.

Hutton of Manual, Indianapolis, went over the low hurdles in 25 2-10 seconds, which bettered the old mark of 26 1-10 seconds. If the Red and White star is in form at the state tourney he should win this event.

He is a consistent performer and none of the sectional marks was within a second of his time. Good of Frankfort is a fine hurdler and must be considered over the low and high "sticks."

The 100-yard and 220 yard dashes are usually very close and breaks decide the issue many times. Walter of Kokomo is perhaps the best in

the state at the short sprints. He holds the record in the 220, which is his best event. His sectional time of 22 4-5 was the best in the preliminaries.

In the 100 McCreary of Bicknell was clocked at 10 seconds flat in the Vincennes tourney. The century dash appears some what of a toss-up. Gordon of Lowell ran it in 10 2-3, as did Walter of Kokomo. A number of the others however must be given equal chances. In the 440 yard dash Wampler of Vincennes is reported to be a whizz. His time in the sectional was 52 4-5 seconds which is fast enough to make somebody step at Tech on Saturday it is believed. Smock of Logansport did the best time in the sectional, 52 2-5 seconds, which equals the State record. It is another open race with a number having a chance.

It is difficult to pick a probable winner of the half-mile event. Osman of Brazil showed his heels to the field at Terre Haute last week and ran the race in 28:07 4-10. It was the best sectional performance. Davis of Boonville, Hopkins of Aetons, and Teeters of Elkhart showed good speed.

No very good milers were uncovered. The best time made by Lamont of Central high, Ft. Wayne, was the seconds slower than the record. Jones of Elwood was 1-5 of a second slower. He is always a dangerous man. Gladden of Masonic Home, Franklin, made the third. Good of Frankfort and Cliff of Tech look like the logical ones to battle it out over the high hurdles. Cliff is a veteran who is very consistent. Good's time was a fifth of a second faster in the sectionals. The two mentioned were the only ones to go over the tall timbers under 17 seconds.

Wilson of Tech, negro athlete, seems to have the edge in the broad jump. The big boy has been going great this spring and last Saturday leaped 21 feet, 2 3-4 inches which is plenty good for a high school effort.

The pole vaulters are nothing to rave about. The northern part of the State appears to have quite an ad-

vantage as three youths in the Gary meet tied at 11 feet 3 inches. No one else went more than 11 feet. Perrotto and Stanton of Froebel, Gary, and Wilkie of Michigan City tied at the high mark. Newbold of Rushville, Demmay of Tech, Rubash and Martin of Manual, and Wissingner of Logansport went over the bar at 11 feet.

Manual's all-round star, Leon Hutton probably will give the other contestants a struggle for high jump honors. His competition may come from Hemmer of Huntingburg. Pettit of Logansport, Mayoes of Dana and Leonard of Rochester. Hemmer had the best leap, 5 feet 9 3-4 inches. Hutton and Mayoes went over the bar at 5 feet, 9 inches.

In the relays Tech looks like a winner in the half-mile. The Indianapolis school has a fast group of sprinters whose mark of 1:36 made Saturday was only 5-10 seconds slower than the State mark held by the same school.

Michigan City won the mile relay at Gary in 3:41 for the best mark in the sectionals. Martinsville at the Indianapolis prelims went the mile in 3:42-10. Other teams did not approach these marks.

Saturday will get the real story. The meet starts at 9:30 o'clock in the morning when trials will be held. The afternoon session will commence at 1:30 o'clock.

The 440, 880 and mile run will be in two sections because of the large number of entrants.

Newbold, Miller and Farthing, all of Rushville will be entered in the state finals, because of the way they finished in the events at Connersville last week.

What Becomes of Players?

By HENRY L. FARRELL
(United Press Sports Editor)
New York, May 22—Foreigners have some very peculiar ideas about our national game of baseball. Few of them have seen the game played by skilled professionals and not many of them knew what it was all about after they had seen a game. Not only are they for the most part ignorant about the technical part of the game, but they do not know nor understand the organization of the major leagues.

Some time ago a British sport writer, who had been sent to this country to get material for a series of stories on American sports was asking some American friends for some information about baseball.

He didn't expect to know so much about the rules of the game and was interested principally in the administration of the game.

During the discussion it was pointed out to him that the two New York teams had performed the unusual feat of playing in three successive world's series and that the Giants had made a record by winning four consecutive championships.

He failed to see anything unusual about that and when asked for his reason, he replied:

"I should think New York will win all the championships because New York is the biggest city in your country and more ball players should be raised here than in any other city."

He was of the impression that a New York team consisted entirely of players born or belonging to New York, although that does not hold

good among the British professional football and cricket players.

His discussion, however, brought up the point—where do the ball players come from.

Only eight of all the ball players in the major leagues were born in New York City and only three of them are playing on New York teams—Frank Frisch, Waite Hoyt and Hugh McQuillan. The other New Yorkers are distributed around the two leagues—Joe Judge, Washington Senators; Hack Miller, Chicago Cubs; Val Picinich, Boston Red Sox; George Topporeer, St. Louis Cards, and Jimmy Ring, Philadelphia Phillies.

The St. Louis clubs have three natives playing with them—Clarence Mueller with the Cards and Gene Robertson and Johnny Tobin with the Browns.

The Cleveland Indians have a native star in George Uhle and they used to own another one, Bill Wambagans, but he was traded to the Boston Red Sox. The Chicago White Sox have one home product in Johnny Mostil.

Pennsylvania seems to be the ranking state in producing and developing major league players and most of the stars turned out come from the same regions in the coal mine districts.

FOX FUNERAL SATURDAY

Funeral services for Christian Fox, who died Thursday afternoon at his home in this city, will be held Saturday afternoon at two o'clock at the late residence, 445 West First street in charge of the Rev. Gibson Wilson. Burial will be made in East Hill cemetery.

KEEPING ONE EYE ON THE SCORE BOARD

Yesterday's Hero: Corky Cochran, young Athletic catcher, hit three home runs and helped beat the Browns 20 to 4. Cochran tied the modern major league record held jointly by Ty Cobb, George Kelly, Ken Williams, Cy Williams, and Walter Henline.

Pop Young singled in the sixth inning and drove in the run that gave the Giants a 5 to 4 victory over the Pirates.

Bassler's pinch hit double knocked in the only two runs scored off Walter Johnson and the champion Senators downed the Tigers 6 to 2.

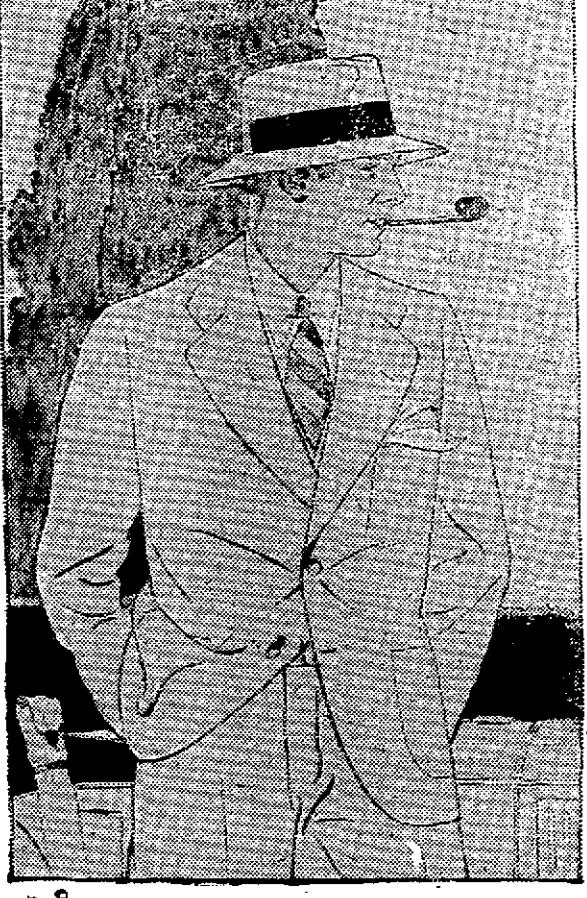

Tight pitching by Bob Shawkey in the last five innings kept an early lead safe and the Yankees beat the Indians 6 to 3.

Chick Hawks accounted for four runs with a single and a homer and helped the Phils beat the Reds 9 to 1.

Dazzy Vance pitched the first game of the season in his 1924 form and the Robins beat the Cubs 5 to 4. Loose fielding let in three Cub runs.

Three runs scored on a rally in the seventh inning gave the Red Sox a 9 to 7 victory over the White Sox. Savage hitting gave the Braves a 12 to 3 win from the Cardinals.

The Ladies Aid Society of the St. Paul's M. E. church will be entertained Tuesday afternoon at 2:30 o'clock at the church with Mrs. E. I. Wooden, Mrs. Frank Sample and Mrs. E. H. King as the hostesses. All the members are urged to attend this meeting.

Announcements have been received here of the marriage of Miss Gladys Allen, daughter of Mr. and Mrs. Eliss Allen of Salem, Ind., and Stanley Stewart, son of M. L. Stewart of this city, which took place in Indianapolis Tuesday evening at 7:30 o'clock. They will be at home to their friends in North New Jersey street, Indianapolis, after May 24.

A very interesting meeting of the Priscilla Art and Literary Club of Falmouth was held Thursday afternoon at the home of Mrs. Burl Hinckman near Raleigh, in the form of a musical program. The responses to the roll call were Musical Composers; vocal solo, Mrs. C. T. Scholt; Life of Chaminade, by Mrs. Russell Baker; piano solo, Miss Meriam Hinckman. Dainty refreshments were served at the close of the program. The next meeting will be held June 7 at the home of Mrs. Hugh Dickey.

Mrs. T. E. McAllister was a delightful hostess Thursday afternoon when she entertained the members of the Shamrock club at her home in West Second street. After an informal social afternoon a delicious two course luncheon was served to the following guests: Mrs. Robert Williamson, Mrs. Fred Jones, Mrs. John Keating, Mrs. Claude Parrish, Mrs. John Reardon, Mrs. James Culp, Mrs. Thomas McAllister, Mrs. Flooder, Mrs. Carl Bruning, Mrs. Caldwell, Mrs. James Moore and Mrs. Elmer Thorpe.

Edward Peak was pleasantly surprised Tuesday evening when a number of friends and relatives gathered at his home in this city to remind him of his birthday. Among those present were the Misses Viola and Elizabeth Lucas of Connersville, Lucy Mae Black of Brookville, Ky., Leona, Ada, Luella and Edna Ogden, Aileen Smith, Lucille Moore, Aileen Ryan, Ruby Williams, Fay Dungan and Pauline Newman, and Ernest Lucas of Connersville, George Stevens, Wilbur Matlock, Burney Joyce, Price Cox, George Morgan, Burney Jackson, Nolan Williams, Wayne Newman, Russell Rankin, Virgil Elder and Lot Hendricks, Mr. and Mrs. Dan Moore of Everton, Mr. and Mrs. Maston of

Greensburg, Mr. and Mrs. Harry Markley, Mr. and Mrs. Earl Gregory, Mr. and Mrs. C. O. Mallin and children, all of this city. Music, games and dancing formed the entertainment for the evening. Refreshments of ice cream and cake were served.

The Tri Kappa sorority will be entertained Monday evening by Miss Thelma Northam at the home of Mrs. Chester Gross, northwest of the city. The meeting will be called at 7:30 o'clock and all members are urged to be present.

Mrs. Peter Waggoner entertained Sunday at her home in Orange township, Mr. and Mrs. Grant Miller, Mr. and Mrs. Richard Abernathy, Martha Hungerford, Mr. and Mrs. Lewis Waggoner and daughter Linnie and Hazel, Mrs. Myrtle Spalding and daughter Eleanor.

The regular monthly meeting of the D. A. R.'s was held Thursday afternoon at the home of Mrs. Fred Caldwell in North Morgan street. A splendid program was enjoyed, consisting of a quartet selection by Mrs. C. E. Walden, Mrs. D. D. VanOsdel, Miss Alice Norris and Mrs. Earl Moore; piano solo, Miss Virginia Lucas; vocal solo, Miss Florine Grouner, accompanied by Mrs. Hugh Mauzy.

During the business session the officers for the past year were re-elected to hold the same offices for the ensuing year and delegates to the state convention to be held in October were elected as follows: Mrs. Willard Amos, regent; Mrs. Rena Warner, Mrs. Hal Green and Mrs. Sarah Guffin. The alternates were Mrs. Jesse Logan, Miss Anna Mary Cowan, Mrs. Cohee and Mrs. D. D. VanOsdel.

An informal social period was held following the meeting and dainty refreshments were served, the hostess being assisted by Miss Laura Meredith, Mrs. Dora Wilson, Mrs. Hester Harton, Mrs. Cona Gray, Mrs. Nellie Tirsworth and Mrs. Ruby Christ. Out of town guests present were Miss Hazel Mowers, of Spokane, Wash., and Mrs. Lotta Bell of New Jersey.

CONDITION ENCOURAGING

Mrs. H. P. Metcalf of New Salem who has been seriously ill for several weeks, was reported today to be improving rapidly, and with her condition most encouraging.

FOR WORKING PEOPLE

The best of workers get out of sorts when the liver fails to act. They feel languid, half-sick, "blue" and discouraged and think they are getting lazy. Neglect of these symptoms might result in a sick spell, therefore the sensible course is to take a dose or two of Herbine. It is just the medicine needed to purify the system and restore the vim and ambition of health. Price 60c. Sold by

SEN. AND MRS. WATSON OFTEN AT WHITE HOUSE

Washington, May 22—President and Mrs. Coolidge entertained Senator and Mrs. James E. Watson at dinner in the White House a few evenings ago. The two families are together frequently. And the chances are that when Mrs. Coolidge and Mrs. Watson get together they talk about sons and daughters rather than bridge and teas for they are mothers who are far more interested in their home than in society, though each one is perfectly capable of meeting any social requirements. Mrs. Coolidge has a great interest in her son, John, now away at Pennsylvania academy. Having lost the second son by death, John has her undivided love and interest. Mrs. Watson is the mother of three sons and a daughter. They and the Senator represent her chief interest. The Senator has such a chummy relationship with his three sons that visitors to his home are more likely to think of him as the fourth "boy" rather than as a stern father. When the Senator goes to the baseball game or to the movies, his attractive young daughter or one or all of his sons are most likely to be his companions.
